### OUTSIDE JURY TO SIT IN ZIGLER CASE

G. W. Smith, attorney for Guy Zigler, of Seville, filed a motion on Monday of this week asking for a foreign jury to sit in the case of Zigler vs. the County Commissioners. The motion was approved by Judge McClure and the jury will be drawn from Wayne county. The date of the trial has been set for Feb. 9.

Zigler is suing the commissioners for \$450 and interest from July 10, 1919, for a truck which he sold them. Zigler claims that the truck was accepted and was as he guaranteed it to be or would have been had commissioners followed his instructions. The commissioners put up the claim that the truck was not as guaranteed and that they had the privilege of returning same which they did.

Failing to arrive at a settlement the case will now be heard before a foreign jury, which means a heavy additional expense. It was estimated by officials this week that the costs will run to at least the \$125 figure, or a third of the amount claimed.

The Sentinel has no knowledge of the merits of the case but the fact that Arthur VanEpp is handling the case for the county lends credence to the report that the prosecuting attorney would have nothing to do with it, following the refusal of his advice to settle.

At all events the case will cost the county a pretty penny.
